Allergen Statement

COMPONENT	Present in the product	Present in other products manufactured on the same line	Present in the same manufacturing plant
Sulfites	NO	NO	NO
Other known allergens	NO	NO	NO

Procedures to avoid cross-contamination of the product with the allergens not present in the product but noted in columns I and II:

Equipment cleaned, then 500 kilos of product passed through the equipment for secondary cleaning. The 500 kilos are packaged separately and sold on the local market (not exported). Sesame and Quinoa are kept in clearly separate and marked areas in the storage warehouse.

Markings on labels or bags:

Product Name, certifier, lot number (and packaging date if requested), country of origin, net weight and importer name and address.
